

INFORMATION ABOUT OUR CLUB

1. A BRIEF HISTORY

In April 2005, a group of Coromal caravan owners met at Del Rio Riverside Resort, Wiseman's Ferry. There were 6 couples present. Since then, the Club has grown and evolved. It has been adventurous in the type of club rallies and activities it has held, and members have also enjoyed participation in State and National Rallies, and Tag-alongs.

4. THE CLUB'S AIMS

The Club is aware that there are many caravans parked in front or back yards that have limited use. The aim of the Club is to provide regular weekend rallies so members become friends and share in fellowship and experiences of others. There is a free exchange of information and tips on van travelling and living. The aim is to relax and have fun.

5. ANNUAL GENERAL MEETING

Coromal Caravan Club Inc. holds an Annual General Meeting. The Committee reviews the Club's activities for the past year. The Treasurer presents a report of the Club's financial position and the election of officers for the coming year is held.

6. MONTHLY RALLY

The Club holds a monthly rally at various sites around NSW and the ACT. Most weekend rallies are held within about 200km radius of Sydney. On long weekends and Easter, the Club arranges for rallies to be held at more distant destinations. As our membership comes from a large geographical area we try to arrange our rallies so that we have four to the north, four to the south and four to the west. Most of the rallies are in caravan parks and showgrounds. However the Club does have "bush" rallies as well. On these rallies there is limited to nil electricity, toilets and showers. Activities are arranged at each rally, e.g. games, happy hours, films, sight-seeing and tours. All are encouraged to participate, but all activities are optional.

7. GENERAL MEETINGS

The Club holds 3 general meetings a year, one of which is the AGM. The Committee recognises that members need to feel they have input into the way the Club is run. Email is also used to keep members informed. Whilst there is a formal format, these meetings allow all members to have a voice. It is also where an evaluation of the rallies takes place and sites are suggested for future rallies.

8. WHAT DO YOU NEED TO TAKE?

Pack your van and yourself with food and fluids of your choice. Take a change of clothes and "Experience the Club's lifestyle, discover the freedom and friendship". The Club encourages members to be self sufficient with caravan and camping equipment. Members join together for meals, often of an evening, so it is advisable to bring along a collapsible table and a fold up chair. If other equipment is required you will be notified by the Rally Co-ordinator.

9. HOW DO YOU JOIN?

There is no pressure on prospective members or guests to join the Club. The Club requires prospective members to attend two rallies before deciding if the Club suits their lifestyle. Should you elect to join our Club, then it is a case of completing an application form and paying your annual membership fee. When the committee approves your application, you are ready to experience the Club's lifestyle, freedom and friendship.
