19th January 2022

Dear Attendees, Sponsors and Supporters,

At today's committee meeting of the 18th National Caravan Clubs Rally 2022, it was passed to postpone the scheduled rally from March 28th – 6th April 2022 **TO March 27th – 5th April 2023 (9 nights)**.

After many years of planning, this decision has not been made lightly but after much deliberation, discussion and considering the current evolving Covid-19 pandemic and restrictions put into place by our governments. We have received and are still receiving many cancellations from concerned attendees due to the current situation that exists.

We as a committee believe that we have made a responsible decision considering the health, safety, and well-being of our attendees and of course the local community.

The committee is committed to holding the event in South Australia and we are asking our attendees, sponsors, and supporters to also remain committed to enable this major event to continue and promote the Riverland and South Australia.

We feel that by next year we will get a better understanding as to what course the pandemic will take and be more confident in presenting the best national rally possible which hopefully will see an increase in attendance.

Our committee members will follow up with attendees, sponsors, and supporters in the near foreseeable future to ensure all is in place for this great event in 2023.

Thank you for your understanding and be assured that we will do all that is possible to honour our commitment to all involved.

Yours sincerely,

18th National Caravan Clubs Rally Committee,

J W Anderson
